MEMORANDUM FOR THE DIRECTOR:

Howard Handleman, INS, called before the latest Geneva Conference began to ask if he could discuss what might come up with Mr. Amory, whom he had seen once before during your absence overseas. Mr. Amory and I agreed that it was inadvisable for Mr. Amory to see Mr. Handleman prior to the conference and I told Handleman that maybe when it was over he could get some indication of what might happen in the future.

Mr. Handleman called this morning to ask if he could see Mr. Amory. I told him that maybe Mr. Amory would not be available, but that I would look into the matter. I would recommend that you see Mr. Handleman at your convenience.
